**THANK YOU** for your cooperation and understanding.

We warmly welcome Karen Kingsbury, a multiple award winning inspirational novelist with nearly 20 million copies of her books in print.

Her critical success is matched by popular acclaim and correspondence from tens of thousands of readers who have said Karen's fiction has dramatically changed their lives. These letters tell of improved marriages, spiritual awakening and new-found hope in the Lord which enabled her to formally trademark her work as "Life-Changing Fiction."

Karen's message to her readers: "When I sit down to write a novel, I pray for you, and I pray God will use the words He gives me to touch your hearts."

She will share with us how OUR life story can impact others for Christ by taking the God moments and making the most of them!

Karen lives in Nashville, Tennessee, with her husband, Don. They have six children, three of whom were adopted from Haiti. Her life verse is:

*"For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope."  
Jeremiah 29:11*
